What is Good Wheels?

Good Wheels is a private, not-for-profit organization that provides transportation for the disabled, disadvantaged and the general public in Lee, Glades, and Hendry Counties. Vehicles are available for ambulatory passengers as well as those in wheelchairs and on stretchers.

Who is Eligible to Receive Service?

Anyone in Lee, Glades or Hendry counties who needs transportation and has no other means of transport may request service. A short application process will determine eligibility. The general public is also welcome to ride at any time. You can find the application online at www.goodwheels.org – Services or call and we can send you one in the mail.

How Much Does It Cost?

A \$1.00 or \$2.00 copay will usually be charged for the Transportation Disadvantaged. If you are not eligible, reduced fares are available for much less than what private, for-profit transportation carriers charge.

Guidelines for Using Good Wheels:

We ask that customers call to schedule trips 72 hours in advance. Reservations may be made from 9:00 a.m. to 12:00 noon Monday through Friday. If you must travel the next day please call before 11a.m.

If your plans change please call Good Wheels to cancel the trip. If you do not cancel at least one hour prior to the pick-up time, you could be charged for the service. Cancellation calls are accepted from 4:00 a.m. to 7:30 p.m.

Please remember that Good Wheels is a bus service. This means that more than one person is normally scheduled per vehicle. Most Good Wheels vehicles are wheelchair lift equipped. However, when making appointments, please make your special needs known to us.

Please be ready 1 hour before your scheduled pick-up time. Notify Good Wheels if you are traveling with an escort to assure adequate seating.

Please remember that drivers are not permitted to go beyond the door threshold or to carry packages. We are also not allowed to make personal convenience stops to shop or eat.
